# WELCOME!

April 2015

Hello Racers!

Welcome to the 2015 Mass Bay Sailing Yearbook. This Yearbook is designed to be a reference guide to both Offshore sailing as well as One Design. Included in the book are the General Sailing Instructions, Individual Event NORs and Sailing Instructions, course descriptions and a wealth of other information.

First of all, thanks to all of you, the racers (owners AND crew), for a really great 2014 season. And Congratulations to the following skippers who competed in the 2014 Mass Bay Sailing Championship events and won their respective classes:

| | | |
|---|---|---|

| **Class B** - President's Trophy | - | **SUPERSTITION** - Chris Zibailo |
| **Class C** - Duplin Trophy | - | **MOOSE** - Rich Peirce |
| **Class D** - PHRF Trophy | - | **MYSTERIOUS WAYS** - Steve Kavanagh |
| **Class F** - Doyle Trophy | - | **ARES** - Linda Hosking |

| **Competitor of the Year** | - | **AGORA** - David Powers |
| **Club of the Year** | - | **COTTAGE PARK YACHT CLUB** |
| **Distinguished Service to Sailing** | - | **John Dieselman** |

As you may be aware, MBSA is now the organizing authority for the Offshore New England (ONE) Regatta (ONERegatta.org). We debuted the race in 2014 with Boston Yacht Club as the host club, and the feedback we received was spectacular! Expect improvements based on your suggestions in 2015, including a better 'cruising class' circle. The 2015 host club is Corinthian Yacht Club. If you participated in 2014, thank you very much! For those that missed the 2014 event, come in 2015 and find out what you missed!

Several things will carry on from last year that we feel worked well and made the season better. For this reason we will be leaving them **unchanged** and in place. They include:

- The classes and class splits
- The use of the Mass Bay Season Scoring System (CHIPS)
- The elimination of the travel requirement for classes D & G
- The separation of the Spinnaker and Jib & Main classes in the Pursuit Championship Series
- The membership deadline of August 15th in order to qualify for the Season Championships
- The use of RRS Appendix T1 and T2 penalty options

**Multipliers for certain races**

This year, we will continue to have 3 races that will have an additional 1.25 multiplier applied to the scoring. Our intent is to try to encourage everyone to travel more and enjoy the excellent racing that each of our fleets provide. The races chosen for 2015 are marked on the official schedule. Sign up and bring a friend! We have also reinstated the multiplier for the Beringer, changed to 1.25 to be consistent with the other multiplier races. This is the last of the overnight ocean style races and the multiplier reflects the effort and skill it takes to do.

**Abandon Race points** – New this year is that when a qualifier "Q" race is Abandoned due to lack of wind, all the boats who checked in on the water will be awarded 50 points for their attempt to participate. This allotment will allow these races to count for travel requirements as well. We are working with RMS to add an ABD code into the scoring system to facilitate this process for RCs. Hopefully we will have wind for all the races and never need to use this feature, but we hope this change will help show the appreciation we have for the hard work and dedication of the skippers and crews.

**Safety Plan**

A reminder that when checking in, expect to be asked for the number of "souls on board." This is in accordance with the harbor safety plans that have been implemented throughout the MBSA area.

**Crew membership category**

Don't forget skippers, when registering, you may add as many crew members as you choose at a discounted rate of $5 per crew. This adds them to our email blasts and gives them all the benefits of Individual membership at a $10 discount. Please consider getting their permission first and then adding them when you join or renew.

**Donate!**

Did you realize that MBSA is a 501(c)(3) organization? Please consider giving to MBSA.
100% of your contribution will be directed towards a sailing related endeavor (there are absolutely no administrative costs).

**MBSA membership**

Finally, if you are already a Mass Bay Sailing Member or are just getting ready to renew your membership for 2015, we thank you. A lot of you reading this book however ARE NOT members, so we encourage you to join. Simply go to www.massbaysailing.org, select the Membership tab and "JOIN or Renew". Your membership fee not only helps Mass Bay Sailing Association to promote the sport of sailing through the efforts of volunteers and member organizations at all levels of the sport in Massachusetts Bay but it also enters you into the Mass Bay Season Championships for Offshore and Pursuit series. And if that wasn't enough, most of the races in this book offer a $5 discount to their entry fee for Mass Bay Sailing members!

So please go to www.massbaysailing.org, check out our web site and become a member. I look forward to seeing you on the water this summer!

2.2 The entry method and any deadlines will be specified in the ESI.

2.3 The entry fee(s) and deadlines will be specified in the ESI. No refunds will be made if an entry is withdrawn after the entry deadline specified in the ESI. The entry fee is payable to the OA and must be paid in order to be scored.

2.4 The handicap system(s) to be used will be specified in the ESI.

2.5 Each boat entered in an event shall be prepared to provide the OA with a copy of their current valid handicap certificate(s) if requested.

## 3 Rules

3.1 The event(s) will be governed by the rules as defined in *The Racing Rules of Sailing* ("RRS").

3.2 Additionally the event(s) will be governed by the following:

(a) The US Safety Equipment Requirements (USSER).

i. All yachts shall minimally comply with the US Nearshore section of the USSER and shall comply with their class rules, where applicable.

ii. In the event of a conflict between these Requirements and applicable class rules, the class rules shall apply.

(b) Deleted

Except when starting, rounding or passing marks, or finishing, when a race is scheduled to continue after sunset, the *International Regulations for Preventing Collisions at Sea* ("IRPCS") will replace the *Rules of Part II* of the RRS from sunset until sunrise.

## 4 Notices to Competitors

The procedure for notices to competitors will be specified in the ESI.

## 5 Changes to Sailing Instructions

5.1 Any change to the sailing instructions will be posted before 0800 on the day it will take effect, except that any change to the schedule of races will be posted by 1800 on the day before it will take effect.

5.2 Changes to these GSI will be posted on the MBSA web site www.massbaysailing.org.

## 6 Signals Made Ashore

6.1 The location for signals made ashore, if any, will be specified in the ESI.

6.2 When flag AP is displayed ashore, '1 minute' is replaced with 'not less than 60 minutes' in the race signal AP. This changes "Race Signals".

6.3 The meaning for any additional signals made ashore will be specified in the ESI.

## 7 Schedule of Races

7.1 The schedule and number of races will be specified in the ESI.

7.2 The time for the first warning signal will be specified in the ESI.

7.3 The time of day for the last warning signal, if any, will be specified in the ESI.

## 8 Class Flags

Each boat racing handicap shall display, from her backstay or a stern staff, the class flag for the class in which she is competing, as specified in the ESI, commencing with her warning signal until she finishes. Boats without backstays shall fly the class flag from their starboard standing rigging.

## 9 Racing Area

The racing area will be specified in the ESI.

## 10 The Course(s)

10.1 The course(s) will be specified in the ESI and will be taken from ONE of the following:

(a) MSBA Standard Courses;

(b) MSBA Standard Rounding Marks List A, B, C;

(c) A list of marks issued by the OA.

10.2 The MBSA Standard Courses show the courses, their letter designation, the approximate angles between legs, the order in which marks are to be passed, and the side on which each mark is to be left.

When these courses are used:

(a) The letter designation, approximate compass bearing and approximate distance to Mark 1 will be displayed by the race committee signal boat.

(b) To provide for simultaneous rounding of a nearby mark and starting by separate classes, the starting and/or finishing mark(s) may be set slightly (approximately 100 yards) beyond the windward or leeward mark as applicable. If such a separate starting and/or finishing mark is set, the nearby windward or leeward mark is not a mark of the course for that leg.

(c) *Offset Mark*: An offset mark may be in place for the rounding of a windward mark.

(d) *Leeward Gates*: Gates may be in place for the rounding of a leeward mark. If a gate mark is missing the remaining mark shall be passed to port.

10.3 Courses using marks from the MSBA Standard Rounding Marks List A, B, C and the side on which each mark is to be left, will be designated by letters or numbers displayed by the race committee signal boat, along with a colored or lettered rounding side indication. Marks shall be rounded, and the finishing mark passed, in the order displayed.

(a) When code flags are used, 1st Substitute substitutes for the first flag in the hoist, 2nd Substitute substitutes for the second flag and 3rd Substitute substitutes for the third flag in the hoist.

(b) Code flag T indicates that the posted course is to be sailed twice around. The starting mark is not included unless it is also a designated mark.

(c) When an inflatable windward mark is used (List A mark W) the approximate compass bearing and distance to that mark will be displayed by the race committee signal boat.

(d) If a green flag or placard is displayed, all turning marks shall be rounded to starboard; otherwise a green color or the letter S associated with a turning mark letter or number will indicate starboard rounding for that mark, and a red color, letter P or no color will indicate port rounding. In the absence of any indication all marks shall be left to port.

(e) The finishing line will be at the last designated mark.

## 11 Marks

Marks will be either:

(a) As described in the ESI (e.g. when inflatable marks are used with MSBA Standard Courses);

(b) As identified in MBSA Standard Rounding Marks List A, B, C.

## 12 Areas that are Obstructions

Passing or Boundary Marks (Restricted Areas) along with the Additional Restrictions contained in MBSA Standard Rounding Mark Lists A, B, C are obstructions.

## 13 The Start

13.1 The starting line will be between a staff displaying an orange or yellow flag or shape on a race committee boat and the course side of a nearby mark.

13.2 Boats whose warning signal has not been made shall avoid the *starting area* during the starting sequence of other boats.

13.3 The starting area is defined as a box whose top extends one-half the length of the starting line past either end of the starting line and whose sides are one half of the length of the starting line behind the starting line.

## 14 Recalls

14.1 The race committee will attempt to hail each boat that is determined to be on course side ("OCS") using VHF radio. The failure to hail, the order of hail, the hail of some but not all, or the untimely hail of OCS boats, all will not be grounds for redress. This changes rule 62.1(a).

14.2 The VHF channel used for recalling boats will be specified in the ESI.

## 15 Change of the Next Leg of the Course

For races using MBSA Standard Rounding Marks List A, B, C, the race committee will display the letter or number, identifying the new mark, along with the side on which it is to be left. This changes rule 33.

## 16 The Finish

16.1 The finishing line will be between a staff displaying a blue flag or shape on a race committee boat and the course side of a nearby mark.

16.2 Each boat is responsible for taking her own time and, if possible, the names or sail numbers of the boats immediately ahead and astern. This information shall be provided to the race committee upon request.

16.3 For events that include more than one race, flag A displayed, with no sound, while boats are finishing means "No more racing today".

## 17 Time Limits and Target Times

17.1 Time limit(s), if any, will be specified in the ESI, stated as a number of hours and/or minutes after the actual starting time of each class.

17.2 Finishing window(s), if any, will be specified in the ESI, stated as the number of hours and/or minutes after the first boat in each class finishes.

17.3 If a finishing window applies, boats failing to finish within the finishing window will be scored DNF.

This changes rules 35, A4 and A5.

## 18 Penalty System

18.1 Both Appendix T1 and the Scoring Penalty, rule 44.3, will apply, offering a boat a choice of on-the-water penalties. This changes rule 44.1 by deleting the third sentence.

18.2 Appendix T2 will apply.

## 19 Protests and Requests for Redress

19.1 Protest forms shall be delivered in person or (if allowed by the ESI) by email to the protest desk/email address within one hour after the race committee signal boat, for the race in which the protesting boat competed, docks.

19.2 Notices will be posted and/or emailed no later than 30 minutes after the protest time limit to inform competitors of hearings in which they are parties or named as witnesses.

19.3 For events lasting longer than one day, on the last scheduled day of an event a request for reopening a hearing shall be delivered:

(a) within the protest time limit if the requesting party was informed of the decision on the previous day;

(b) no later than 30 minutes after the requesting party was informed of the decision on that day.

This changes rules 62.2 and 66.

## 20 Scoring

20.1 The RRS Low Point System will be used for all individual events.

20.2 The MBSA Offshore Season Scoring System will be used for all season-long series.

20.3 One race is required to be completed to constitute a series.

20.4 No race scores will be excluded. This changes rule A2.

20.5 Event score ties are broken in accordance with RRS A8.1. When a tie still remains among handicapped boats, it will be broken in favor of the boat with the lowest total corrected time for all races. For a boat scored DNS, OCS, ZFP, BFD, SCP, RET, DNF, TLE (Time Limit Expired), DSQ, DNE, or DGM her corrected time in that race will be the corrected time of the boat finishing last in that class plus 10%.

This changes rule A8.2.

20.6 Boats handicapped under PHRF will use MBSA Class Splits.

20.7 For Time-on-Distance scoring when MBSA Standard Courses are used, the posted distance, adjusted for starting marks beyond the windward or leeward mark, offset marks and finish lines beyond the windward or leeward mark, if any, will be official for scoring purposes.

20.8 For Time-on-Distance scoring when MSBA Standard Rounding Marks, List A, B, C are used, the distance as measured from the mark positions, adjusted for fixed obstructions such as islands and passing and boundary marks, if any, will be official for scoring purposes. If an obstruction may be passed on more than one side the shorter distance will be used.

## 21 Safety Regulations

21.1 All boats shall have a working VHF radio.

21.2 Boats shall check in with the race committee signal boat before her first warning signal each day by sailing past the signal boat or (if allowed in the ESI) by VHF when within 100 yards of the signal boat and stating her sail number and the number of souls on board. Boats that fail to check in may receive a 20% scoring penalty for the first race. This changes rules 63.1 and A5.

21.3 In the event of an emergency, or if a boat withdraws, either the boat or an associated support boat shall notify the race committee at the first reasonable opportunity.

## 22 Support Boats

Team leaders, coaches and other support personnel shall stay outside areas where boats are racing from the time of the preparatory signal for the first class to start until all boats have finished or retired, or the race committee signals a postponement, general recall or abandonment.

## 23 Radio Communication

Except in an emergency, a boat shall neither make radio transmissions while racing nor receive radio communications not available to all boats. This restriction also applies to all electronic devices.

## 24 Prizes

Prizes will be specified in the ESI.

## 25 Disclaimer of Liability

Competitors participate in the event(s) entirely at their own risk. See rule 4, Decision to Race. The organizing authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the event(s).

# 2015
# Eastern Point Yacht Club
# GLOUCESTER HARBOR CUP SERIES

The Eastern Point Yacht Club is sponsoring the annual three-race Gloucester Harbor Cup Series.

This series is a refreshing change of (a) venue to the beautiful waters of Cape Ann and (b) course from shorter windward-leeward courses to longer (15 to 20 miles) asymmetrical courses. Some races go as far north as Rockport and some go as far south as Newcomb Ledge. These longer asymmetrical courses require an additional set of sailing skills.

There are three races, of which two are pursuit races:

| Race | Date |
|---|---|
| **Round the Salvages Pursuit Race** | Saturday, 7/18 |
| **Ocean Pursuit Race** | Saturday, 8/22 |
| **Schooner Festival PHRF Race** | Saturday, 9/5 |

All three start and finish just outside of Gloucester Harbor.

Any yacht with a valid 2015 PHRF-NE rating will qualify. There are no classes; all boats compete in the same race, where the finishing times (or starting times) are handicap-adjusted (TOD). Boats can choose to use their racing or cruising rating.

Trophies are awarded for each individual event. The Gloucester Harbor Cup is awarded at the end of the season to the boat with the most points in the three races, using the MBSA Season Scoring Table.

# 2015
# MAGIC CUP SERIES

*Sponsored by the Annisquam Yacht Club*

The Magic Cup is awarded each year to the boat with the best record in 6 Cape Ann PHRF events, sponsored individually by the Annisquam Yacht Club, Eastern Point Yacht Club, Ipswich Bay Yacht Club, Sandy Bay Yacht Club, and the City of Gloucester. Any yacht with a valid 2015 PHRF-NE rating may register to qualify.

The series provides a refreshing change of venue to the beautiful waters of Cape Ann and offers the opportunity to sail longer (15 to 20 miles) asymmetrical courses around mostly government marks.

The races and dates for 2015 are:

| Race | Date | Start/Finish |
|---|---|---|
| **Cruising Class Ocean Race** | Saturday, 6/7 | Rockport/Rockport |
| **Cape Ann Challenge** | Saturday, 6/27 | Gloucester/Annisquam |
| **Chowder Cup Pursuit Race** | Saturday, 7/11 | Ipswich/Ipswich |
| **Ocean Pursuit Race** | Saturday, 8/22 | Gloucester/Gloucester |
| **Schooner Festival Race** | Saturday, 9/5 | Gloucester/Gloucester |
| **Great Race** | Saturday, 9/12 | Annisquam/Annisquam |

Limited guest moorings are available at Annisquam Yacht Club, Eastern Point Yacht Club, Ipswich Bay Yacht Club, Sandy Bay Yacht Club, and from the Gloucester Harbor Master.

The Magic Cup is awarded at the end of the season to the boat with the most points (best 5 of 6 races), using the official results as posted by the host race committee adjusted for Magic Cup participants. Yachts must register for the Magic Cup prior to the first race of the Series (Cruising Class Ocean Race). Registration can be made via phone (978-283-4507) or via email to racesail@annisquamyc.org)

The Boston Yacht Club and the Royal Nova Scotia Yacht Squadron are pleased to announce the 36th Biennial Marblehead-to-Halifax Ocean Race. The race will start on July 5, 2015, and is open to all yachts meeting the requirements published in the Notice of Race and which are accepted by MHORC. Racing divisions will be IRC, ORR, PHRF Racing, PHRF Cruising and Multihull. The race will start in Marblehead, Massachusetts, and will finish in Halifax, Nova Scotia, and is an ISAF Category 2 event.

The running of the 2015 Marblehead-to-Halifax Ocean Race (MHOR) is preceded by a long and prestigious history. The race began in 1905 as an informal competition among sailors from the Boston, Eastern, and New York Yacht Clubs. The race was run sporadically until 1939 (76 years ago this year), when the Boston Yacht Club (BYC) joined with the Royal Nova Scotia Yacht Squadron (RNSYS) to formalize a biennial event. Since that time, the Marblehead-to-Halifax Ocean Race has run regularly on alternate years from the Newport Bermuda Race, as one of the pre-eminent ocean races of the North Atlantic.

Previous Halifax Races attracted over 125 boats, racing in 5 different divisions: IRC, Performance Handicap Racing Fleet (PHRF) Racing Class, PHRF Cruising Class, Multihulls and Classic Yachts. This year we continue to include an ORR division. Over 20 perpetual trophies are awarded, recognizing many special accomplishments including team challenges, the fastest double handed yacht, and the fastest all-women's yacht, in addition to division and class winners.
The Notice of Race and all registration details are available on http://marbleheadtohalifax.com.

This race is a qualifier for the Northern Ocean Racing Trophy for IRC yachts and the New England Lighthouse Series for PHRF yachts. The Olin J. Stephens Trophy will be awarded to the yacht with the best-combined ORR scoring performance in the 2014 Newport Bermuda Race and the 2015 Marblehead-to-Halifax Ocean Race. This race is also combined with the 2016 Newport Bermuda Race for the 2016 Olin J. Stephens award.

Chelsea Clock Trophies will be awarded for the best combined performance in the Annapolis to Newport and Marblehead-to-Halifax Races in the IRC, PHRF Racing, and Double-handed Divisions. The Friar Trophy will be awarded to the yacht with the best-combined performance in Route Halifax Saint-Pierre 2014 and this 2015 Marblehead-to-Halifax Ocean Race. This race is also the qualifier for the Friar Trophy, a combined award with Route Halifax Saint-Pierre 2016.

As noted, we welcome back the Chelsea Clock Company who has donated trophies for a combined Marblehead-to-Halifax Ocean Race and Annapolis to Newport Race. Constructed from their limited edition Mariner Clock, they will provide a permanent trophy plus Chelsea Clock keepers for first, second and third class prizes in four divisions.
